Postgraduate Ussher Fellowships

Fellowships are available to new entrants to the full-time Ph.D. register for entry in October and/or the following April of the same academic year (e.g. October 2010 and/or April 2011). The Fellowships aim to support and develop gifted research students. They are awarded competitively on academic merit.

VALUE: The Fellowship fully covers EU and non-EU fees and provides an annual maintenance of €16,000 for three years.

ELIGIBILITY: These fellowships are only applicable to new entrants on the research register.

APPLICATION: New entrants to the Research Register do **not** need to complete a separate Award application form. A section on the general Research application form must be completed in order to be considered for an award.

Postgraduate Research Studentships

Studentships are available to new entrants as well as continuing students on the full-time Ph.D. register for entry in October and/or the following April of the same academic year (e.g. September 2010 and/or March 2011). The Studentships aim to support and develop gifted research students. They are awarded competitively on academic merit.

VALUE: The studentship fully covers EU or non-EU fees and an annual maintenance of €8,000 for three years.

ELIGIBILITY: These studentships are applicable to new entrants as well as continuing students on the Ph.D. Register.

APPLICATION: New entrants to the Research Register are not required to complete a separate Award application form. A section on the general Research application form must be completed in order to be considered for an award. Continuing students who wish to apply for this Award should contact the research degrees Executive Officer directly, ressec@tcd.ie.

CLOSING DATE: Nominations are considered at various times of the year depending on the School. New applicants are advised to submit their application as early as possible.
